

Bocconi

Master of Science Programs

2024-2025

Bocconi. Knowledge that matters.

Since its founding in 1902, Bocconi has always stood for **pluralism, independence and entrepreneurial spirit** that support the socio-economic progress of Italy and Europe through scientific innovation, advanced research and the training of tomorrow's business leaders.

Bocconi is committed to building a university that values **diversity, equity and inclusion**, where everyone can grow by learning thanks to the diversity that each of us embodies. You will join an open and multicultural community of students and alumni and alumnae from countries all over the world, building a network of relations that lasts a lifetime.

You will also learn from expert faculty, attending programs at the forefront of modern higher learning. A Bocconi education is a springboard to improved professional prospects and enables our graduates to make a **significant contribution to society**: This is the meaning behind our motto, "**Knowledge that Matters.**"

A Dynamic and Sustainable Campus

The Bocconi campus has a wealth of opportunities to choose from, including sports, cultural activities, student associations, student-run media and volunteering. In recent years, the campus has evolved to increasingly focus on **sustainable** issues and the **safety** and wellbeing of our **community**.

Located close to the city center in a safe and vibrant area, the campus is woven into the urban fabric of Milan. A new area of the campus includes a student dorm, a new location for the business school, plus a sport center featuring an Olympic-size swimming pool.

Programs at the Leading Edge

Bocconi University is widely acknowledged for the quality of its Master of Science graduates. In the competitive job arena awaiting them, our 2-year MSc programs are proven gateways for international careers. One number says it clearly: **97.1%** of Bocconi's MSc grads are employed one year after getting their degree.

Our programs combine a strong theoretical background and an emphasis on real-world applications. They nurture critical thinking, an open-minded attitude and the ability to work in multi-cultural environments, all while promoting an attitude of responsible entrepreneurship. Indeed, the aim of our MSc programs is to contribute to the development of leading citizens of our globalized world.

The relationships you will build with peers, faculty members and other contacts represent crucial added value to your University experience. And our international Alumnae and Alumni Community is the natural way to keep in touch with fellow students and with the University throughout your future career.

MSc Program Structure

Our programs help you develop solid knowledge in all the core topics during your first year, while choosing from a wide list of electives in year two. This allows you to design a flexible study plan that focuses on your main areas of interest and pursues them in depth.

Your Application Journey

Fees and Funding

Bocconi tuition and fees will be **€ 18,000** per year in the 2024-2025 academic year.

The tuition is divided into different installments that students pay throughout the year. **Bocconi is committed to supporting deserving students** through our financial aid system based on both merit and need. Financial aid opportunities include the following:

- When evaluating students for admission, top candidates may be assigned a **Merit Award** covering **100%** of yearly tuition and fees. There is no need to apply for these merit scholarships as the Scholarship Committee assigns them independently.
- European students and students with a permanent address in Italy may apply for **low interest loans** thanks to agreements between Bocconi and major European banks.
- US citizens can apply for a **federal loan** (FAFSA).
- Enrolled students may also apply for an **ISU Bocconi Scholarship** or for contributions for participation in international mobility and internship programs.
