Diego, past EFS student

“My favourite part of EFS was the kindness. The people are very kind and they make you feel welcome here. Academically, I had a lot of opportunities to practice my English with native speakers. Personally, the most important thing is that I learned how to be a more empathetic person. Canadian culture is a very kind and polite culture. Everyone here made me feel so welcome that I started to empathize a lot more with people.”

What will you learn?
