

Summer School

In Kazakhstan-British Technical University with the support of the
World Petroleum Congress (WPC)

19 -25 august 2024

We are pleased to invite you to participate in the Summer School organized by Kazakh-British Technical University (KBTU). This is a unique event full of knowledge, experience and impressions that will stay with you forever.

The program is designed for international students to gain academic knowledge from lecturers from leading companies in the Petroleum Industry, to get unforgettable feelings from cultural and mass events, as well as a unique experience of intercultural interactions.

Our aim to not only broaden your academic base but also immerse you in the cultural richness of our country. During the Summer School, you will learn about the rich history, traditions, and folk heritage of Kazakhstan. KBTU is one of the leaders in the oil and gas industry, and our Summer School will provide you with a unique opportunity to immerse yourself in the world of the energy industry.
